Correction to: Marine Biotechnology
<https://doi.org/10.1007/s10126-022-10162-8>

The original online version of this article was revised: In the Results section, the sentence 'Production of FU⁻¹ also requires 8.360 m³ of freshwater and 137.9 kWh of electricity.', the unit '137.9 kWh' should instead be '54.48 kWh'.

The original article has been corrected.
