

Dear participant

Thank you for participating in this survey on local school services. Your participation is valuable to us on the research team. We hope that the results will be useful to municipalities to promote schools as professional institutions and to draw attention to non-discrimination in national education.

This questionnaire asks about local school services. Reference is made to the services covered by the Specialist Services of Municipalities for Preschools and Compulsory Schools and Pupils' Welfare Council in Compulsory Schools [No. 584/2010](#). The respondents' attention is drawn to the fact that in 2016 there was a change in the Compulsory School Act [No. 91/2008](#) in which the name 'school services' was introduced in place of the name of the school's specialist services.
